General Rules

- TDA rules apply to all Venetian Poker Room tournaments.
- Must be 21+ years of age and have a Grazier Rewards card to participate.
- Fifteen (15) minute break at the completion of every three (3) levels.
- Each starting flight plays until we are down to approximately 11% of the field remaining. Day 2 will resume at 11:00 AM combining all remaining players from 1A, 1B, & 1C with all players being considered in the money and will continue until a winner has been declared. To begin Day 2, the clock will revert to the earliest stoppage time of Day 1.
- Management reserves the right to cancel or change tournament.
- Winners may choose to be paid in casino chips or cash.
- Winners must show a valid ID to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Pursuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of \$5,000 or more (net of buy-in amount).
- \$600 Buy-In starts with 40,000 in chips. Each level is forty (40) minutes.
- \$95 of the \$600 Buy-In is withheld for house fees (Rake + Staff). Prize pool consists of \$505 of every \$600 Buy In.
- Registration and Re-Entry is allowed for nine (9) levels and through the break.
- At the start of the event, Players receive \$200 Bounty for each player they eliminate from the tournament. Once we reach the money (posted payouts) - players receive a \$1,000 Bounty for each player they eliminate from the tournament. If two or more players eliminate another player from the tournament with the exact same hand, the Bounty chips will be split equally with all winning hands. The player who wins the event does not get to keep their own bounty, as this will remain part of the prize pool.
- On Day 2, at Tournament Directors Discretion, players will have twenty (20) seconds pre-flop and thirty (30) seconds post-flop to act on their hand through the use of a countdown clock. Each player will receive six (6) time-extension chips, each worth a 30-second addition to a player's action. Upon reaching 27 players & the final table, each remaining player will reset to six (6) 30-second time-extension chips. In the case that time expires for a player with remaining time-extension chips, the player's countdown clock will automatically extend an additional thirty (30) seconds. Collection of time-extension chips will take place at the end of the player's action. If a player's countdown clock expires and the player does not have any time-extension chips remaining, he/she will be (a) forced to check, if there is no bet pending or (b) fold, if facing a bet or raise
- Any player who bags chips for Day 2 may not play a subsequent flight.
- Ante will come from the Big Blind Only. The Ante is posted before the Big Blind.
- A prize pool of \$150,000 is guaranteed by The Venetian Poker Room. The total prize pool consists of the actual prize money plus the total amount of \$200 and \$1,000 bounties that are awarded.
- The tournament prize pool disbursement, as set forth herein, may be modified upon unanimous written agreement of management and of all tournament players still involved in the tournament.
- All pre-registered stacks will be in play at the start of the event.
