- Near the money bubble, at Tournament Directors Discretion, players will have twenty (20) seconds pre-flop and thirty (30) seconds post-flop to act on their hand through the use of a countdown clock. Based on field size, players will receive the following time-extension chips, each worth a 30-second addition to a player's action:

Less than 45 players: 5-time extension chips.

46-72 players: 3-time extension chips + 3 at 27 players remaining.

73-99 players: 4-time extension chips + 3 at 27 players remaining.

100 + players: 5-time extension chips + 3 at 27 players remaining.

In the case that time expires for a player with remaining time-extension chips, the player's countdown clock will automatically extend an additional thirty (30) seconds. Collection of time-extension chips will take place at the end of the player's action. If a player's countdown clock expires and the player does not have any time-extension chips remaining, he/she will be (a) forced to check, if there is no bet pending or (b) fold, if facing a bet or raise. Shot clocks will be removed at the Final Table.

- The tournament prize pool disbursement, as set forth herein, may be modified upon unanimous written agreement of management and of all tournament players still involved in the tournament.
