- TDA rules apply to all Venetian Poker Room tournaments.
- Must be 21+ years of age and have a Venetian Rewards card to participate.
- Fifteen (15) minute break at the completion of every three (3) levels.
- Each starting flight will play until we are down to approximately 12.5% of the field remaining. Day 2 will resume at 11:00 AM combining all remaining players from 1A and 1B with all players being considered in the money and will continue until a winner has been declared. To begin Day 2, the clock will revert to the earliest stoppage time of Day 1.
- Management reserves the right to cancel or change the tournament.
- Winners may choose to be paid in casino chips or cash.
- Winners must show a valid ID to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Pursuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of \$5,000 or more (net of buy-in amount).
- \$800 Buy In starts with 40,000 chips. Levels are forty (40) minutes.
- \$110 of the \$800 Buy-In is withheld for house fees (Rake + Staff). The prize pool consists of \$690 of every \$800 Buy In.
- Registration and Re-Entry is allowed for nine (9) levels and through the break.
- Any player who bags chips for Day 2 may not play a subsequent flight.
- Ante will come from the Big Blind Only. The Big Blind is posted before the Ante.
- Prize Pool of \$150,000 is guaranteed by the Venetian Poker Room.
- All pre-registered stacks will be in play at the start of the event.
- The tournament prize pool disbursement, as set forth herein, may be modified upon unanimous written agreement of management and of all tournament players still involved in the tournament.
- On Day 2, at Tournament Directors Discretion, players will have

twenty (20) seconds pre-flop and thirty (30) seconds post-flop to act on their hand through the use of a countdown clock. Based on Day 2 field size, players will receive the following time-extension chips, each worth a 30-second addition to a player's action:

- Less than 46 players: 5-time extension chips.
- 46-72 players: 3-time extension chips + 3 at 27 players remaining.
- 73-99 players: 4-time extension chips + 3 at 27 players remaining.
- 100 + players: 5-time extension chips + 3 at 27 players remaining.

In the case that time expires for a player with remaining time-extension chips, the player's countdown clock will automatically extend an additional thirty (30) seconds. Collection of time-extension chips will take place at the end of the player's action. If a player's countdown clock expires and the player does not have any time-extension chips remaining, he/she will be (a) forced to check, if there is no bet pending or (b) fold, if facing a bet or raise. Shot Clocks will be removed at the Final Table.
